

### **Absence/tardiness policy**

My policy on absences is that if you miss more than two you will not get an A, if you miss more than three you will not get a B. You get the idea. I take attendance every single day.

My policy on tardiness is that it is irritating.

### **Communication**

The best way to get in contact with me is university email. I check said email Monday through Friday, 7:30 am – 3:30 pm. Make sure your university account is active.

### **Remember**

A class learns to teach itself.

Don't mistake kindness for weakness.

Writing is a process.
