## WESTERN PLANETARIUM BEGINS FALL SERIES

**St. Joseph, Mo.**—Oct. 7, 2003—The Missouri Western State College Planetarium will feature two shows on several evenings: “Navigating with Lewis and Clark” and “More Than Meets the Eye.”

“Navigating with Lewis and Clark” is Oct. 27 and Nov. 5. “More Than Meets the Eye” is Oct. 29 and Nov. 3. All shows begin at 7:30 p.m. and last about 50 minutes. The seating capacity is 40 people. Tickets are \$3 each. Advanced reservations are required and can be made by calling (816) 271-4370. There are more shows scheduled in November.

Showings for school groups or organizations can be arranged by calling (816) 271-4370 or contact Jerry Wilkerson at [wilk@mwsc.edu](mailto:wilk@mwsc.edu).

The Bushman Planetarium held its first show in 1969. It underwent a complete renovation in 1998, including an upgrading of the computer-controlled programs and capabilities.

—end—

*Missouri Western State College is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The college offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.*
