WESTERN PLANETARIUM HOLDS FALL SERIES

St. Joseph, Mo. — Sept. 15, 2003 — The Missouri Western State College Planetarium will begin its fall series with shows entitled “More Than Meets the Eye” and “Hubble Vision.”

“More Than Meets the Eye” will be shown Oct. 4, 20 and 25. “Hubble Vision” will be shown Oct. 6, 18 and 27. All shows begin at 7:30 p.m. and last approximately 50 minutes. The seating capacity is 40 people. Tickets are \$3 each. Advance reservations are required and can be made by calling (816) 271-4370. The planetarium is located in the Evan R. Agenstein Science & Math Building, room 105.

Showings for school groups or organizations can be arranged by calling (816) 271-4370 or contacting Jerry Wilkerson at wilk@mwsc.edu.

The Bushman Planetarium held its first show in 1969. It underwent a complete renovation in 1998, including an upgrading of the computer-controlled programs and capabilities.

—end—

Missouri Western State College is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The college offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.
