WESTERN'S CHEMISTRY DEPARTMENT TO HOST CHEMATHON

St. Joseph, Mo.—Feb. 26, 2003—The Missouri Western State College chemistry department will host their annual Chemathon competition on March 27, 8:30 a.m. to 3:30 p.m in the Evan Agenstein Science and Math Building.

Over 800 high school students from 40 area high schools are scheduled to attend. The students will compete in written, team and activity-based competitions in first- and second-year chemistry, physics and in a new category specifically designed to accommodate the growing number of area high schools offering chemistry through dual credit.

For more information, contact Dr. Shauna Hiley at 271-4437 or email at hiley@mwsc.edu.

Missouri Western State College is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The college offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.
