## **MICHAEL JAY TO GIVE PRESENTATION AT WESTERN**

**St. Joseph, Mo.** —April 6, 2006—Michael Jay of the Environmental Protection Agency, Region 7, Kansas City, Kan., will present “Environmental Concerns about Mercury Emissions and Bioaccumulation” at 7 p.m. April 12 in Evan R. Agenstein Hall, room 308 on the campus of Missouri Western State University. The talk is free and open to the community.

The event is sponsored by the biology department’s Beta Beta Beta, the preprofessional club, and the student chapter of the Wildlife Society.

—end—

*Missouri Western State University is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The university offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.*
