WESTERN'S PSI CHI INDUCTS THREE

St. Joseph, Mo. —April 13, 2006—Missouri Western State University's chapter of Psi Chi, a national honor society in psychology, inducted three new members April 12. To be eligible for membership in Psi Chi, students must rank in the top 35 percent of their class and have at least a B average in psychology courses.

The students initiated are: Brandy Lee Bodde, a senior from St. Joseph; Kimberly D. Nolan, senior from Kansas City, Mo., and Ghazala Saleem, senior from Mound City, Mo.

Psi Chi was founded in 1929 at the ninth International Congress for Psychology held at Yale University. Currently, there are more than 1,000 chapters in colleges and universities throughout the nation. The purpose of the society is to encourage, stimulate, and maintain excellence in scholarship and to advance the science of psychology.

—end—

Missouri Western State University is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The university offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.
