WESTERN OFFERS GPS MAPPING AND NAVIGATION COURSE

St. Joseph, Mo. —June 25, 2003—Missouri Western State College is offering an Introduction to Global Positioning Systems for Mapping and Navigation Certified User workshop in July. The class will be from noon to 8 p.m. on July 9 and 10 and from 8 a.m. to 5 p.m. on July 11.

Participants will train on Trimble Geoexplorer 3 or CE-XT units, depending on availability and participant demand. Each unit will be shared between two class members.

The cost of the class is \$450 per person and is worth two credit hours. Class size is limited to 10 and participants must register in advance through the department of continuing education in the Leah Spratt Multipurpose Classroom Building, room 105. For more information call (816) 271-4100.

—end—

Missouri Western State College is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The college offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.
