WESTERN ASTRONOMY CLUB OFFERS NIGHT OF STAR GAZING

St. Joseph, Mo. —June 25, 2003—The Missouri Western State College

Astronomy Club will host an evening of star gazing July 7 at 9:30 p.m. at the pond on James McCarthy Drive. This event is open to the community and telescopes will be provided. Participants are welcome to bring their own telescopes, also.

If weather does not permit star gazing, the event will be moved to the planetarium in the Evan R. Agenstein Science and Math Building.

For more information contact the computer science, math and physics department at (816) 271-4370.

—end—

Missouri Western State College is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The college offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.
