WESTERN ANNOUNCES COMPUTER SCIENCE AND MATHEMATICS SCHOLARSHIPS

St. Joseph, Mo. —June 29, 2006—Missouri Western State University announced the following scholarship awards to students:

- Zac Nothhouse Memorial Computer Science Scholarship to Matthew Chambers, Helena, Mo. The scholarship was established by family and friends of Nothhouse for students majoring in computer science. It is awarded to an entering freshman and graduate of Savannah High School.
- George Friedrich Riemann Award: Whitney Schell, senior, Bethany, Mo.; Tammy Liebersbach, junior, Harvey, N.D.; Jason Briscoe, junior, Kansas City, Mo.

Scholarships are given to declared mathematics majors selected by the mathematics faculty in recognition of significant accomplishment in the study of mathematics, and demonstrated potential for continued growth and success in the mathematical sciences. The awardees must have completed at least 60 hours but not more than 105 hours, including the hours during the semester of selection.

—end—

Missouri Western State University is a four-year public institution providing a blend of traditional liberal arts and professional degree programs. The university offers student-centered, high quality instruction that focuses on experience-based learning, community service, and state-of-the-art technology. Western is located in St. Joseph, Mo. and is committed to the educational, economic, cultural and social development of the region it serves.
