WESTERN RECOGNIZES OUTSTANDING EMPLOYEES

St. Joseph, Mo. —August 10, 2006—Ten Missouri Western State University staff members were awarded Outstanding Staff Employee Awards for 2006. This award program recognizes and rewards exemplary performance by employees based both on performance of their responsibilities as outlined in their position description and associated goals, and on their specific contributions to the mission, goals and values of the university.

The following individuals were named outstanding employees:

Amy Bennett, recruiting specialist, human resources; Mary Dean, administrative coordinator, admissions; Dan Eckhoff, bursar, business office; Deana Elder, financial aid default coordinator; Kathy Joe, accountant; Dennis Johnson, public safety officer; Kendy Jones, director, campus printing and design services; Rhonda Rund, director for the center of community arts, Western Institute; Tara Stoll, video communications producer, instructional media center; and Tom Williamson, assistant to the chair, business department.
