Dear Northwest Counselor:

The NWMSCA Critical Incident Response Team Training is detailed on the other side of this flier. I hope you will be able to join me as we update procedures and learn new strategies in preparing for possible crisis situations. Greta Myers, MSCA Crisis Coordinator, will lead the training. She will also have information about accessing the MSCA Crisis Manual for those teams or team representatives in attendance.

Feel free to bring your Critical Incident Response team members, administrators, teachers, board members, and anyone else you feel would benefit from such training. The site is the SHS Commons Area located at the northwest corner of the high school complex (main entrance); see other side for further directions.

Greta will have all of the latest in critical incident response, as well as the updated MSCA manual. The workshop will also meet requirements for professional development &/or career ladder. Certificates of training will be presented following the completion of the evening. We look forward to seeing everyone at the training. If you have any questions or concerns, please contact me at the number below. If not, I will see you there.

EVERYONE MUST PRE-REGISTER NO LATER THAN FRIDAY, OCT 9!
Complete the registration form below and fax this page to the fax number below.
