Old Business

Second Reading of Business Proposals (#05-10, Subcommittee D): Melissa Daggett presents. Issues of compliance were investigated and it was affirmed that ECO 260 and 261 can count towards the major. Subcommittee moved for acceptance of the package. Vote count: 13 yes; 0 no; 0 abstain.

Second Reading of Chemistry Proposals (# 05-12, Subcommittee B): Deny Staggs presented. Statements were added on pages 19 and 23 about the continuing exemption to the 66 rule due to accreditation requirements. Subcommittee moved for acceptance of the package. Vote count: 13 yes; 0 no; 0 abstain.

Second Reading of Biology Proposals (# 05-11, Subcommittee A): Jitendra Tewari presented. Subcommittee moved for acceptance of the package. Vote count: 13 yes; 0 no; 0 abstain.

Second Reading of Education Proposals (#05-13, Subcommittee C): Jianping Su presented. EFLJ Department is now coordinating the ESOL program curriculum and will attach it to the EFLJ package. Subcommittee moved for acceptance of the package. Vote count: 13 yes; 0 no; 0 abstain.

New Business

Agenda for 12-05-05 approved.

Shauna Hiley updated the committee on the Charge from the Faculty Senate. The Executive Committee and Subcommittee Chairs met to discuss the issue of separate undergraduate and graduate curriculum committees. The hope is that the committee will not meet in the spring, but the Graduate Studies Committee hasn't figured out their structures yet.

Adjourn - 4:41 pm
