

Prairie Lands Writing Project - Saint Joseph, Missouri
 Technology Survey Results from NCTE Presentation - November 18, 2006

Results divided by grade level:

College	Secondary	Middle School
7	65	20

1 Technology is dramatically changing my role as an English teacher.

SA	A	U	D	SD
57%	43%			
30%	53%	7%	10%	
20%	60%		20%	

2 Websites on the Internet are helpful to me in developing lessons/projects which integrate computer technologies in my teaching.

57%	28%	15%		
41%	52%	7%		
50%	50%			

3 Collaborating with colleagues in acquiring computer technology teaching strategies would increase the use of same in my teaching.

71%	29%			
15%	62%	23%		
30%	40%	30%		

4 Prompt and reliable in-school technical assistance is necessary when I integrate computer technology in my teaching.

71%	14%	15%		
47%	23%		30%	
60%	30%	10%		

5 If I had more access to technology for my students, I would create more learning activities using the computer.

85%	15%			
40%	30%	23%	7%	
50%	20%	30%		

6 I am a more effective teacher when I employ technology.

28%	42%	15%	15%	
7%	63%	30%		
40%	20%	20%	20%	

7 I can identify ways new technologies enhance my English teaching (i.e. support student learning as it meets curriculum standards.)

42%	28%	15%	15%	
30%	66%	7%	7%	
30%	70%			

8 I know how information literacy in a digital age impacts my school's language arts curriculum goals.

28%	42%	30%		
15%	30%	30%	25%	
30%	50%	10%	10%	

9 I can show other teachers how to use new technologies (list-serves, word-processing, presentation software, concept mapping, etc.)

28%	28%	28%	16%	
23%	63%	7%	7%	
30%	50%	20%		

10 I know how to design student learning projects which will employ new technologies as a part of the regular activities of my classroom.

42%	14%	28%	16%	
15%	47%	23%	15%	
20%	60%		20%	

11 Effective English teachers must be computer literate.

12 Technology increases my students' motivation to complete writing projects.

57%	28%	15%	
28%	51%	14%	7%
60%	20%	20%	

13 Technology increases my students' motivation to complete research projects.

28%	15%	57%	
28%	51%	21%	
50%	40%	10%	

14 Students use technology in my classes for completing English skill/drills activities.

28%	15%	57%	
21%	58%	14%	7%
50%	30%	10%	10%

15 Students use technology in my classes to become better critical thinkers.

42%	14%	44%	
14%	37%	14%	21%
10%	40%	20%	10%

16 Students use technology in my classes for research-related projects.

	28%	42%	30%
21%	44%	21%	7%
	60%	30%	10%

17 My school has adopted policies regarding the ethical, equitable, and legal uses of information literacy/technology.

28%	57%	15%	
22%	71%		7%
20%	60%	10%	10%

18 I am knowledgeable about policies regarding the ethical, equitable, and legal uses of information literacy/technology in English teaching.

14%	42%	22%	22%
35%	44%	21%	
40%	50%	10%	

19 I regularly use word-processing in developing instructional lesson plans and student handouts.

28%	28%	28%	16%
21%	58%	14%	7%
30%	50%	20%	

20 My students use word-processing in at least one of their writing projects each quarter.

85%	15%	
86%	14%	
90%	10%	

21 I use concept-mapping software (such as Inspirations) frequently in developing instructional lesson plans and student handouts.

71%	29%	
79%	21%	
80%	10%	10%

22 My students use concept-mapping software (such as Inspiration) in completing projects in my classroom.

14%	14%	24%	24%	24%
	28%	7%	35%	30%
10%	10%	30%	40%	10%

14%		16%	42%	28%
-----	--	-----	-----	-----

21%	7%	35%	37%	
10%	10%	30%	40%	10%

23 I am a frequent user of email/listserves for developing instructional goals/plans/lessons in my teaching.

42%	58%			
21%	44%	14%	14%	7%
10%	30%	30%	20%	10%

24 I frequently use presentation software (such as PowerPoint) in my teaching.

14%	43%	43%		
51%	28%	7%	7%	7%
30%	10%	20%	20%	20%

25 My students use presentation software (such as PowerPoint) in completing projects in my classroom.

14%	57%	29%		
21%	58%	14%	7%	
40%	10%	20%	20%	10%

I have used others'—or developed my own WebQuests—in teaching my students.

Yes	No
10%	90%
79%	21%
40%	60%

I have developed one or more class Web pages.

20%	80%
65%	35%
20%	80%

My students have developed Web pages for class projects.

100%	
35%	65%
30%	70%

I use computers for students' collaborative projects.

20%	80%
76%	24%
80%	20%

I am knowledgeable about BLOGs.

40%	60%
65%	35%
70%	30%

I am the creator/owner of one or more BLOGs.

20%	80%
7%	93%
10%	90%

I teach netiquette skills in my English classes.

10%	90%
21%	79%
40%	60%

How much time on the computer do you spend per week for educational purposes?

Avg:	20
Avg:	8
Avg:	12
