Administrators' Data Team Training Seminar

DMR: Decision Making for Results/DT:
Data Teams

Aligned with Missouri's focus on data-driven decision making for school improvement, this 2-day seminar will be presented in two parts.

Part One, Decision Making for Results: Data-Driven Decision Making will provide the framework for data analysis at the school, district and system levels to help educational leaders move into creating Data Teams. Part Two, Data Teams Training, will present a framework for success in setting-up, applying and monitoring the data process.

Registration is for both days.
