

BGS Custom Concentration (18-24 hours – must include at least 9 upper division hours)

If Custom Concentration is modeled after a major or minor from another institution, list institution _____. Attach a copy of curriculum from institutional catalog, showing page number of catalog and catalog year. Matching the catalog copy, list modeled curriculum in the first two columns below. If courses taken at model school, put check in "MS" column next to "Model Curriculum Credits". If courses are transferred, list courses, credits and grades in transfer section, aligning courses with equivalent model courses. If courses taken at MWSU, list courses, credits and grades in MWSU section, aligning courses with equivalent model courses.

If Custom Concentration is based on a major from Missouri Western State University list major _____. List required major courses in the MWSU section of the form. If courses taken at MWSU, list credits and grades. If courses are transferred, list courses, credit and grades in transfer section, aligning courses with MWSU requirements.
