Symbols of Academic Tradition and Excellence

Pageantry, honor, and celebration are traditional elements of university commencements and other academic ceremonies. As symbols of events and affiliations, academic regalia and medallions can be traced back to the Middle Ages. With Missouri Western's designation as a University, four symbols have become a part of the academic tradition at Missouri Western State University.

Seal: *The seal is the official visual representation of the university as a legal entity and is to be used on official documents of the institution. The university seal is circular with the name Missouri Western State University and the year of the institution's founding, 1915, in the outer ring. The six core values that are fundamental to Missouri Western's mission are listed in the next ring of print. They are Service, Quality, Enthusiasm, Freedom, Respect, and Courage. The center of the seal features the Griffon, a mythical creature first conceived in Europe in the Middle Ages that combines the body of the lion and the eagle. It may be understood to symbolize courage and imagination. The Griffon is also known as the protector of "treasure." Recognizing that education is a treasure to be valued, the Griffon was selected to represent the higher education mission of the St. Joseph Junior College and has prevailed as Missouri Western's symbol since that time. It is the one symbol that unites the many generations of alumni through the various stages of the university's development. The Griffon as a symbol for Missouri Western has evolved over the years, and the current design is in the silhouette of the State of Missouri.*

Mace: *Symbolic since the Middle Ages of the community of scholars, the mace is carried in academic processions at many universities. The Missouri Western mace is made of local walnut and is adorned with brass and ebony rings. The head of the mace bears an etched image of the Griffon, and brass medallions of the University seal are on each of the mace's four sides.*

Presidential Medallion: *The presidential medallion represents the authority and responsibility of the Office of the President. It is conferred upon the President of the university by the Board of Governors and becomes a part of the academic regalia of the President of Missouri Western State University. The medallion features the new seal of the university, a center link engraved with the title "President," and six links each of which is engraved with one of the values that are central to the university's strategic operations.*

The original mace, processional banners and the presidential medallion were made possible by a generous gift from Dr. Joseph Friedman '39 in August 2005. A new mace was created by the St. Joseph Woodworkers Guild and dedicated in April 2019. The mace's medallions and etching were provided by David Takes of Expressions Engraved. Missouri Western acknowledges Dr. Friedman, the St. Joseph Woodworkers Guild and David Takes with great appreciation.

This is the first year that the Alumni Association has provided antique gold legacy cords for graduates to wear in honor of a parent or grandparent who also graduated from Missouri Western.

The musical score is written on seven staves. The first staff begins with a treble clef and a 4/4 time signature. The melody consists of quarter and eighth notes, with lyrics placed below the notes. The lyrics are: "Gent - ly flows the wide Mis - sou - ri, Search - ing for the sea. Take me to my al - ma mat - er, Where it waits for me.
