

Measure 4a: Ability of Completers to be Hired in Education Positions

The MWSU EPP collect self-reported data to determine the rate at which certified Initial program completers are employed teaching positions or enrolled in graduate school one year after program completion. These data do not include completers who have chosen positions in other fields and/or have not notified the EPP that they are employed.

Placement data for Fall 2021-Spring 2022 EPP completers.
