

Measure 4b: Ability of Completers to be Hired in Education Positions

The MWSU EPP collects self-reported data to determine the rate at which certified Initial program completers are employed in teaching positions or enrolled in graduate school one year after program completion. These data do not include completers who have chosen positions in other fields and/or have not notified the EPP that they are employed.

Placement data for **Fall 2023-Spring 2024 Undergraduate** EPP completers.
