2. Academic buildings have sheltering information in each classroom
3. Residential Life will provide specific shelter information
4. Stay away from windows
5. Stay out of large open area rooms
6. Sit down or kneel on the floor, covering your head
7. Do not leave the area until campus staff advise it is ok
8. If outside, seek shelter in the nearest building or a depression in the earth

### After a tornado:

1. Beware of broken glass, hanging electrical lines, unstable buildings, fires
2. Call Public Safety 271-4438 if there is significant damage to your building or if someone is hurt

3. Comply with the directions given by public safety or campus staff
4. Check on fellow students and employees

## POLICE EMERGENCIES

### If you discover a police emergency (crime in progress):

1. DO NOT ATTEMPT TO APPREHEND OR INTERFERE WITH A CRIMINAL EXCEPT IN SELF-DEFENSE
2. If it is safe to do so, try to get a detailed description of the criminal noting:
  - Height -Weight
  - Sex -Age
  - Race -Clothing
  - Weapon
  - Method of travel
  - Direction of travel
3. If the criminal enters a vehicle, note:
  - License number
  - Make, model, color
  - Any other identifiers
4. Call Public Safety 271-4438
5. Remain where you are until contacted by a Public Safety Officer

**If you are notified of a Police Emergency:**  
Cooperate fully with Public Safety

## BOMB THREAT

### If you receive a bomb threat:

1. Keep the person talking as long as possible (pretend to have difficulty hearing)
2. Secure as much information as possible:
  - Where is the bomb?
  - When is it set to go off?
  - What type of bomb is it?
  - What does it look like?
  - Why was it planted?
  - Who planted it?
  - What will make it explode?
3. Hold the line open. Do not hang up. Use another phone line to call Public Safety 271-4438

**If you are notified of a bomb threat and asked to evacuate, follow the instructions of campus staff.**

### Identifying Mail Bombs:

## PERSONAL SAFETY GUIDELINES

### In Your Residence

- Keep your doors locked at all times, even when someone is at home. Find out who is knocking before opening the door. Never leave room or residence doors propped open for a friend, delivery person, or for any other reason. Do not admit strangers into your room.
- Never lend keys to your vehicle or room. Don't leave keys laying in open, unprotected areas.
- Leave light(s) on when you go out at night and have your keys ready for quick entry upon your return.
- Do not leave notes pinned to your door concerning your destination, how long you will be away, when you will return, where the hidden key is located.
- Avoid going to the laundry room late at night or by yourself.
- Get to know your suitemates; someone you can go to in an emergency.

### While Walking

- Do not walk alone. Walk on well-lighted and well-traveled paths, sidewalks, or streets.
- Walk facing traffic, not with it. Don't walk too closely to buildings, alleys, bushes, parked cars, etc.
- Dress appropriately for safety. Wear clothes that allow free movement and shoes you can run in. Keep your purse tucked securely under your arm and don't overload yourself with bundles.

### While Driving

- When approaching your car, be sure no one is hiding in, or under the vehicle. Have your keys in your hand, pay attention to your surroundings.
- As soon as you get in the car, lock the doors and windows and start the car. Leave the doors and windows locked while you drive.
- Never leave valuable items on seats or exposed in your vehicle. Cover them or put them in your locked trunk.
- Park in well-lit areas as close to a building as possible. Remember where you have parked.
- Keep your car tuned up and always have at least one half tank of gas. In case of car trouble, stay with your car and turn on your flashers.

## DEPARTMENT OF PUBLIC SAFETY SERVICES
