Academic

What-If

Allows you to hypothetically change your major, concentration or minor and then review new requirements

Format: Student View

In-progress classes Preregistered classes

PROCESS

Checked to include classes you are currently taking, may uncheck

Checked to include classes you are registered for in an upcoming semester or term, may uncheck

Student View – Provides information about completed and remaining degree requirements
Registration Checklist – Displays requirements and courses which still need to be fulfilled

Click to process a new audit after unchecking or checking in-progress classes and/or preregistered classes

Legend located at the bottom of the audit – most importantly shows the symbols used for completed, in-progress and not complete classes and requirements

Legend

- Complete
- Complete (with classes in-progress)
- Prerequisite
- Repeated class
- Not complete
- Nearly complete - see advisor
- Wildcard denoting subject code or course number

Disclaimer
 You are encouraged to use this degree audit report as a guide when planning your progress toward completion of the above requirements. The information contained within this audit is considered unofficial. Your academic advisor or the Registrar's Office may be contacted for assistance in interpreting this report. This audit is not considered a substitution for your academic transcript and it is not official notification of degree completion.

Degree in Bachelor of Science INCOMPLETE

Credit hours required for a MWSU degree: 120 | Credit hours applied: 141 | Catalog year: 2022-2023 | GPA: 3.53

Overall GPA for your degree

Note: Earn 30 of the last 45 credit hours at MWSU in institutional coursework (exclusive of credit by examination)
