General information block – category may not appear if the information is not applicable to the student's record.

Allows you to hypothetically change a student's major, concentration or minor and then review new requirements

Checked to include classes student is currently taking, may uncheck

Checked to include classes student is registered for in an upcoming semester or term, may uncheck

Audit date: 04/10/2023 2:39 PM

Student data

Student View – Provides information about completed and remaining degree requirements
Registration Checklist – Displays requirements and courses which still need to be fulfilled

Click to process a new audit after unchecking or checking in-progress classes and/or preregistered classes

Student Data – Pulls information from the student record that is housed in Banner; format is not ideal and much of the information can be found in the Student Profile through Goldlink – Advisor Tools – Student Information

Legend located at the bottom of the audit – most importantly shows the symbols used for completed, in-progress and not complete classes and requirements

Legend

- Complete
- Complete (with classes in-progress)
- Prerequisite
- Repeated class
- Not complete
- Nearly complete - see advisor
- Wildcard denoting subject code or course number

Disclaimer

You are encouraged to use this degree audit report as a guide when planning your progress toward completion of the above requirements. The information contained within this audit is considered unofficial. Your academic advisor or the Registrar's Office may be contacted for assistance in interpreting this report. This audit is not considered a substitution for your academic transcript and it is not official notification of degree completion.

Degree in Bachelor of Science

Credit hours required for a MWSU degree: 120
Credit hours applied: 141
Catalog year: 2022-2023
GPA: 3.53

Overall GPA for the student's degree

Note: Earn 30 of the last 45 credit hours at MWSU in institutional coursework (exclusive of credit by examination)
