NAME OF DEPARTMENT: Health, Physical Education and Recreation

NAME OF COURSE: PED 101 Walking For Fitness and Weight Control (Sect. 16)
To Accompany PED 101 Fitness and Wellness Lecture

INSTRUCTOR: Ryan Watts     Phone: 816-271-4491
Email: rwatts3@missouriwestern.edu   Office: Looney 214
Time/Location: MWF 12p-12:50p   GISC Indoor Field

SPECIFIC OBJECTIVES OF THE COURSE:
1. To relate the fitness and wellness lecture material to the activity of walking.
2. To understand the importance of quality walking shoes, clothing, and other apparel to the walking program.
3. To learn and be able to demonstrate proper foot placement, stride, and walking technique.
4. To understand and practice proper safety techniques while walking.
5. To understand the importance of warm-up and cool-down procedures in a walking program.
6. To understand and apply the principles of overload and progressive resistance to a fitness walking program.
7. To understand and experience how a walking program, when coupled with sound nutrition will control and/or reduce body fat.
8. To be able to develop through mathematical calculations based on individualized data, an exercise prescription for walking that will enhance cardiorespiratory fitness.
9. To understand and experience how a walking program will assist in stress diversion and relaxation.
10. To provide pre- and post-test measurements to evaluate the effectiveness of the program in enhancing various fitness parameters before and after a 10 week, 3 day per week fitness walking program.
11. To understand how habitual walking and a regular walking program will enhance one's quality of life and provide permanent weight control and a higher degree of health fitness.

COURSE OUTLINE:
1. Associated Risks and Benefits of Walking for Fitness and Weight Control. Safety procedures, including common injuries, walking on the street, trail walking, and cross-country walking.
2. Discussion of walking shoes and appropriate apparel.
3. Walking technique: stride walking, speed walking, foot placement, and body position.
4. Pre-testing evaluation.
5. General principles of fitness walking: specificity, overload progressive resistance. Warming up and cooling down.
7. Muscles involved in walking.
8. Breathing techniques for fitness walking.
9. Weight control through fitness walking.
10. Development of a periodized exercise prescription based on the needs of the individual.
12. Post-testing evaluation.
13. Interpretation of results. Final examination.

CLOTHING: Jeans and jean shorts not allowed. Street shoes of any kind will NOT be allowed when walking in the arena. Students are to wear appropriate walking shoes (athletic shoes) for class.
GRADING:
The activity laboratories portion of the fitness and wellness course will account for 100 of the 600 total points in the course. The 100 points will be allocated as follows:

Attendance and Participation – 50 points. Lab journal assignments – 50 points. Points will be deducted for lack of effort. Three (3) tardies equate to one absence.

A. Attendance Policy: Since the attainment of minimal levels of fitness can be achieved through regular participation in an exercise program, which is parallel with the course objectives, no more than two (2) unexcused absences for lab sections meeting 2 days/week or three (3) in sections which meet 3 days/week will be allowed without a deduction of points. For additional unexcused absences, 10 points will be deducted for every class missed (maximum of 11 classes missed). If the student exceeds 11 unexcused absences (including the non-penalized absences), a grade of “F” will be assigned to the student for the entire course (lecture and lab) for PED 101.

B. Excused absences will ONLY BE ACCEPTED IN EMERGENCES, AND ONLY BY WRITTEN DOCUMENTATION. WITHIN 7 CALENDAR DAYS THE STUDENT MUST: 1) PROVIDE THE INSTRUCTOR WITH WRITTEN DOCUMENTATION FOR THE EXCUSED ABSENCE AND 2) SUBMIT ANY MISSED ASSIGNMENTS DUE ON THE DATE OF THE EXCUSED ABSENCE – FAILURE TO DO SO WILL RESULT IN THE ABSENCE BEING DEEMED UNEXCUSED AND ASSIGNMENTS WILL RECEIVE A GRADE OF ZERO. If you have missed class, it is your responsibility to inform the instructor of the reason for the absence.

ACADEMIC HONESTY POLICY: Academic honesty is required in all academic endeavors. Violations of academic honesty include any instance of plagiarism, cheating, seeking credit for another’s work, falsifying documents or academic records, or any other fraudulent activity. Violations of academic honesty may result in a failing grade on the assignment, failure in the course, or expulsion from the University. When a student’s grade has been affected, violations of academic honesty will be reported to the Provost or designated representative on the Academic Honesty Violation Report forms.

Please see the Western Student Handbook and Calendar on for specific activities identified as violations of this policy and the student due process procedure. This handbook is also available online at http://www.missouriwestern.edu/handbook/index.pdf

STUDENTS WITH DISABILITIES: Students seeking accommodations must first provide documentation of needed accommodations to the Accessibility Resource Center (ARC) located in Eder Hall, Suite 203. Once accommodations have been approved by the ARC, students are responsible for notifying their instructors of those accommodations. This should be done within the first two weeks of classes. Accommodations are not retroactive.
**Harassment, Discrimination and Sexual Misconduct**
Consistent with its mission, Missouri Western seeks to assure all community members learn and work in a welcoming and inclusive environment. Title VII, Title IX and University policy prohibit harassment, discrimination and sexual misconduct. Missouri Western encourages anyone experiencing harassment, discrimination or sexual misconduct to talk to someone from the Campus and Local Resources list found in the Student Handbook (https://www.missouriwestern.edu/studentaffairs/wp.../handbook.pdf) about what happened so they can get the support they need and Missouri Western can respond appropriately.

There are both confidential and non-confidential resources and reporting options available to you. Missouri Western is legally obligated to respond to reports of sexual misconduct, and therefore we cannot guarantee the confidentiality of a report, unless made to a confidential resource. Responses may vary from support services to formal investigations. As a faculty member, I am required to report incidents of sexual misconduct and thus cannot guarantee confidentiality. I must provide our Title IX coordinator with relevant details such as the names of those involved in the incident. For more information about policies and resources or reporting options, please visit the following website: https://www.missouriwestern.edu/titleix/sexual-misconduct-policy/

Students have received information via email regarding training regarding Title IX. Student employees may have additional required training. Please follow the link in the email sent to your MWSU student account to complete the training. Students who do not complete the training will receive a hold on their account, prohibiting future semester enrollment until the training is complete. These training courses will ensure that all students are appropriately educated about these important regulations.
