## Academic Level

Definition: Classification of the student as freshmen, sophomore, junior, senior, or graduate student.

Notes: Classification for undergraduates is calculated based on earned hours.  
Freshmen: < 30, Sophomores: 30 to <60, Juniors: 60 to <90, Seniors: 90 and above.

External Reporting: IPEDS, DHEWD

Values or Examples: GR= Graduate Student

Definition Table: STVCLAS

Length/Type: VARCHAR2

Steward: Registrar

## Academic Standing

Use STVASTD in Banner to look up Academic Standing. Note that if pulling ASTD codes from the reg\_master or student\_registration\_dtl dataviews, null/blank fields are equivalent to 00 (Good Standing).

Definition: Based on student's GPA, this field indicates whether a student is in good standing, Dean's/President's List, probation or suspension.

Notes: 00 or null can indicate good standing

External Reporting:

Values or Examples: PR = Probation, DL = Dean's List

## CIP Code

Definition: Classification of Instructional Program code. Associated with courses, majors, and minors. CIP codes describe the general content or subject matter of a course or major.

Notes: CIP codes are created by the National Center for Education Statistics to standardize reporting of courses and majors. The first two digits represent general classifications, such as Education or Business.

External Reporting: IPEDS, DHEWD

Values or Examples: 13.0201: Bilingual or Multilingual Education

Definition Table: <https://nces.ed.gov/ipeds/cipcode/browse.aspx?y=56>

Dataviews and synonyms:

## Cohort

Definition: A specific group of students established for tracking purposes.

Notes: AWC students are only allowed to sign up for up to 9 credits when they initially register. Unlike FTFT students, their codes are specific to the semester they entered in. FTFT cohorts are always set up in the fall, so their codes are only specific to the year that they entered. In both cases, the codes follow the same logic as other banner term codes—consequently students entering in fall 2020 will have FTFT21 codes.

- Some students have advisor codes tacked on to their cohort code:
  - FTFT##A1: Used for students who were originally assigned to Student Success advisors
  - FTFT##A2: Reserved for use with the FAS advisors (pilot and only semester fall 2015)
  - FTFT##A3: Used for students who are assigned to other staff advisors
- FTFTD1 or FTFTD2 is assigned when a student dies.

External Reporting: IPEDS Graduation Rates, IPEDS Outcome Measures

Values or Examples: AWC = Admit with Conditions; FTFT= First-time, full-time

## Dual Credit

Definition: A student attending both high school and college at the same time. Differs from "dual enrollment" in that the student always receives high school credit for the course, in addition to post-secondary credit.

Notes: Identified by enrollment in a "dual-credit" term (e.g., 202013, 202014) with a student type status of "H". Campus code should be OCH, for off-campus high school.

External Reporting: DHEWD

Values or Examples: H = High School/College Credit

## FTE

Definition: Full-time equivalent. A standardized measurement of undergraduate and graduate enrollment. Can also be applied to counts of staff.

Notes: There are multiple ways to calculate FTE, depending on the requirements of the reporting agency. For example, FTE can be based on credit hours, wherein undergraduate credit hours are divided by 15 and graduate credit hours by 12. This is the standard used by the IPEDS 12-month enrollment survey. Alternatively, FTE can be calculated using headcount, as in the IPEDS Fall Enrollment survey. In this case, full-time students are calculated as 1, and part-time undergraduate students as .403543. Part-time graduate students are counted at .361702 in this model.
