ATI: Test of Essential Academic Skills (TEAS)-Version V

New Entrance Requirement for BSN (Spring 2017 cohort and forward)

**General Information:** The TEAS V is designed to evaluate the academic readiness of candidates prior to admission into the nursing program. The results also provide documentation useful for counseling and advisement. This examination also assesses the candidate’s ability to respond and apply knowledge to new situations and to understand complex technical material and relationships. The TEAS consists of 4 sections of multiple-choice questions: Reading (58 minutes, 42 questions), Math (51 minutes, 30 questions), Science (66 minutes, 48 questions) and English Language (34 minutes, 30 questions).

**Required Score:** All students must score at ATI Academic Preparedness Category of Proficient (58.7%) or above in order to be considered for admission. Results are available through the student’s ATI account 48 hours after the exam has been taken. TEAS V results must be uploaded to Nursing CAS as part of the application process.
