University Policies
Approved: 05/15/2018

Missouri Western State University will close only in extraordinary circumstances. If the University is to close due to weather/road conditions, the decision will be made as follows:

Daytime Closing- normally the decision will be made by 6:00 a.m.

Evening Closing - normally the decision will be made by 4:00 p.m.

Any closing of the University will be communicated via our emergency notification system (Griffon Alert) by text, email and social media (Facebook and Twitter). It will also be broadcast on area media outlets and be posted on the University's website at www.missouriwestern.edu.

University Administration takes several factors into consideration when making the decision to close the University. Therefore, it cannot be assumed the University will close when other area schools are closed, nor can it be assumed that all Missouri Western locations are closed when one is closed.
