Keeping the families of MoWest students informed

→ events *

Super Science Saturday

On February 7, MoWest welcomed families to Super Science Saturday, an annual event held in conjunction with the St. Joseph Museums. With over 25 exhibits, visitors explored chemistry, biology, reptiles, biomed, astronomy and more.

Hands-on activities and demonstrations from MoWest professors and students made science come to life. Visit our Family of MoWest Students [Facebook page](#) for a recap of events from Professor Kitty.

Home Buying Seminar - February 19, 2026

The [Career Development Center](#) is hosting an event about becoming first-time home buyers. Two alumni will be speaking to the audience about how to maintain and improve credit scores, explain the preapproval process, and the do's and don'ts of homebuying.

Join us on February 19 from 12 p.m. - 1 p.m. in Spratt Hall 214. This event is free and is open to alumni and students!

Discover More at MoWest - February 28, 2026

Dozens of potential future Griffons will join us on campus for the spring edition of Discover More at MoWest Day. These future students will get to explore campus, meet current students and even unlock the opportunity to earn a \$500 scholarship.

Do you have another student interested in MoWest? It's not too late for them to register! Learn how your high school senior could unlock that \$500 scholarship at <https://www.missouriwestern.edu/admissions/discover-mowest/>

Athletics

Winter athletics are in full swing. Both our men's and women's basketball teams are in the midst of the regular season, while track and field will wrap up their indoor season this month. Keep your eyes open for post season opportunities to watch our Griffons in action!

Spring sports (Women's Lacrosse, Softball, Baseball, Women's Tennis, and track and field) will all kick off their seasons this month. We would love to see you at a game. Check out each team's schedule at <https://gogriffons.com/>.

First Service Event of the Semester

In honor of Dr. Martin Luther King Jr., our Griffon community came together for our 5th annual "What Are You Doing For Others?" Day of Service, an event rooted in compassion, community, and action.

Our Griffon volunteers created 50 care kits for the St. Joseph School District's Families in Transition program, supporting children who are navigating homelessness and other difficult situations. All kits included personal hygiene kits, comfort items, school supplies, and personalized uplifting messages.

Learn more about how our students get course credit through serving our community at <https://www.missouriwestern.edu/center-for-service/>

We've launched a brand new YouTube channel dedicated to sharing upcoming longform videos. We can't wait to share new stories highlighting alumni, students and staff.

Subscribe early here.

Keep up to date on everything our students are up to by downloading the Griffon News App or by regularly visiting their [website](#) at <https://www.griffonnews.com/>.
