Old Business/Committee Reports:

- **Salary and Fringe Proposal** – Debbie Johnson, Committee Chair announced that the newly named “Crisis Leave” proposal was passed at the GAC meeting, and is now headed to the President for his final approval and signature.
  - Jackie Burns asked for some brief history regarding the proposal, what was changed in the end, etc.
  - Debbie stated that per Dr. Fessler’s suggestion, the Salary and Fringe committee agreed to a specific dollar amount and number of hours for the crisis leave bank ($20,000/450 total hours); this was done to more accurately reflect FMLA, changes in benefits due to insurance costs, etc.
  - Faculty may donate sick leave only, as they do not receive vacation. Staff will have the ability to donate vacation as well as sick leave.
  - If the bank should get low at some point and more hours are needed, the 450 hours would be our maximum. An individual can only donate so many hours, and they must already have so many hours accrued of their own (prior to donating).
  - Per recent changes in the law, new faculty may donate their sick leave in lieu of losing it.
- **Debbie** stated that we may need to make some other changes down the road, after the initial trial run, but once the President has signed off on the proposal, it will go into the Policy Guide immediately, to be implemented during the next benefits period in the fall.

- **Constitution and Bylaws Proposal** – Christina Lund reviewed some items that were suggested for changes to the Staff Constitution and Bylaws; stated that most changes were suggestions surrounding individual duties, cleaning things up and clarifying duties.
  - Amy Parnell, Barb Harris and others discussed other potential changes; many were suggested.
  - It was agreed that Staff Senators would have a discussion via email, ask for proposed changes, and then vote by June 30th.
  - Christina proposed a schedule consisting of the following:
    - By Monday, June 22: All suggested changes to be completed.
    - Wednesday, June 24: Updated copy with suggested changes available to group.
    - Friday, June 26 - Monday, June 29: Voting is open.
    - Monday, June 29: Results determined with the project being wrapped up in time for last day of the Senate year - June 30.
  - All those present agreed to this schedule.
· John Gregory volunteered to post the Constitution and Bylaws to outgoing and continuing Senators as a Google Doc, so that suggestions and comments could be made in one place, for all senators to see. Everyone agreed.

Motion was then made to adjourn by Matt McDonald.
Seconded by Barb Harris.
ADJOURNED

Barb Harris
